## **Press release**

### **TA-Logistics A/S acquires 50% stake in Kaj Madsen Fjelstrup A/S**

TA-Logistics A/S is expanding its activities by acquiring a 50% stake in Kaj Madsen Fjelstrup A/S.

“With its strong concept for international transport of temperature sensitive goods, Kaj Madsen Fjelstrup A/S is an interesting player in our portfolio, and the acquisition is therefore completely in line with our strategy of investing broadly in the transport and logistics area,” says CEO of TA-Logistics, Thorkil Andersen, and adds: “We’re very pleased with the deal, and looking forward to following and strengthening the positive development which the company is currently enjoying.”

Kaj Madsen Fjelstrup A/S’ business model and operations will continue unchanged with regard to its customers, suppliers and processes, as the company will continue to be managed by Jens Andersen, Andreas Fristoft and Jens Peder Z.H. Jensen, who have owned the company to date.

“We’re looking forward to TA-Logistics joining the ownership group and being represented on our Board of Directors. We’re convinced that their experience, expertise and networks will strengthen future business,” say managing directors Jens Andersen and Andreas Fristoft.

The acquisition is conditional upon approval by the competition authorities.

Once the Danish competition authorities have approved the deal, the owners will comprise TA-Logistics A/S, Jens Andersen, Andreas Fristoft and Jens Peder Z.H. Jensen.

TA-Logistics A/S has a stake in several transport and logistics companies, including Frode Laursen A/S, IN-STORE A/S, SKANOL A/S and AGRI-NORCOLD A/S.

Kaj Madsen Fjelstrup A/S is a modern logistics company which concentrates on pan-European refrigerated and frozen transport, with more than 400 trucks at its disposal.
